OBJECTIVE

A motivated MCA graduate with a strong interest in web development, seeking a role where I can leverage my skills and knowledge to contribute effectively. Eager to apply classroom learning to real-world projects while furthering my expertise in web development technologies.

EDUCATION

Master of Computer Application , Silicon University Relevant Coursework: Java, Python, DBMS, Web Development, Cloud, IoT	2022-2024
Bachelor of Computer Science , Sambalpur University	2018 - 2021

SKILLS

Technical Skills	Python, JavaScript, Node.js, Typescript, Express.js, React.js, PostgreSQL, MongoDB
Soft Skills	Communication Skill, Teamwork, Problem Solving, Adaptability,

PROJECTS

WEATHER APP- Engineered a dynamic Weather App with React, featuring autocomplete functionality for city selection, ensuring a seamless user experience. Integrated real-time weather data from API's and employed responsive design principles for cross-device compatibility. Demonstrated proficiency in front-end development, API integration, and user-centric design.

DIESEL WEBSITE CLONE- As a web developer, I have hands-on experience in creating responsive e-commerce websites using React. I successfully implemented crucial functionalities such as product listing, user authentication, and streamlined checkout processes.

TRIPLEASE- Developed the Tripease tour and travel website using the MERN stack, seamlessly integrating payment gateways and booking systems. Employed responsive design techniques to ensure optimal functionality across various devices, enhancing user experience and accessibility.

E-COMMERCE APP- Developed a full-featured MERN Stack e-commerce platform with TypeScript, integrating Stripe for payments, Multer for file handling, and RTK Query for state management, facilitating the purchase of clothes, accessories, and home goods. The platform also includes a comprehensive admin dashboard for managing products, orders, and user data

EXTRA-CURRICULAR ACTIVITIES

- Secured victory in the college cricket tournament "Chakravyu Cup" showcasing exceptional teamwork, strategic prowess, and a commitment to excellence.
- Achieved triumph in the Inter-Branch Volleyball Cup, demonstrating strong teamwork, skillful play, and competitive spirit.

VOLUNTEERING

DAV-ICT PROGRAM (2023)

- Contributed to a 6-day training program, assisting participants in Python, ML, and AI. Supported the enhancement of computer teachers' capacities at DAV Schools, organized by DAV Technology.
